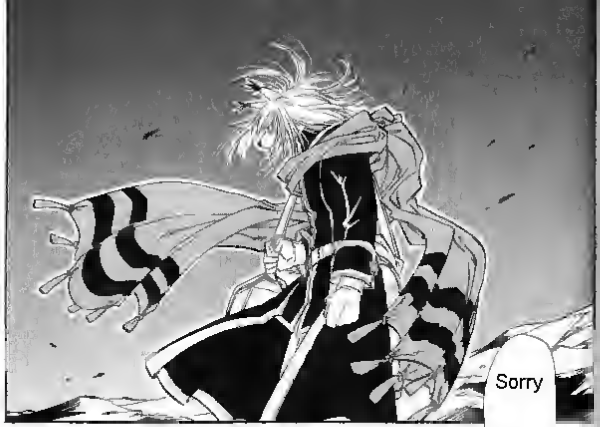
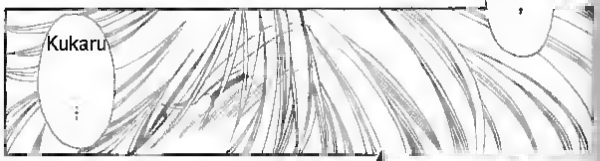
Final Chapter Lakute's Journey

最終話 拉蓋特之旅



Sorry
,



Kukaru
...

ヒョオオオ

I'm
sorry,
everyone
...

You are...
Cladius?
If this continues even you will lose your life

He should reach the cave where my vessel is awaiting tomorrow
He just fell asleep.
How is Laku ?

Laku... He will come back right?
Ajise's journey will finally end.
This way, I will return to my vessel.

You must find a way to turn back to human fast...
Laku

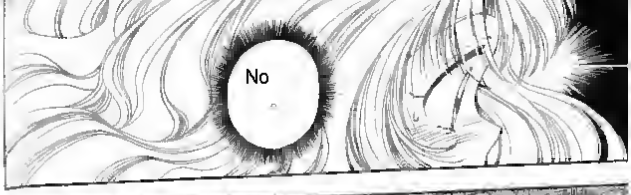
...Just go to sleep.

.....

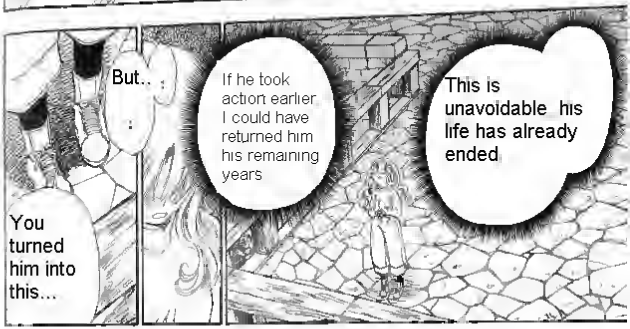
Laku

I only gave him my power, to give him a chance to right his crimes.
I didn't know.

So living is very tough for him.



No



You turned him into this...
But..
If he took action earlier I could have returned him his remaining years
This is unavoidable, his life has already ended.

This is his own will, not anyone else's.
Although it took hundreds of years, he has finally returned to Arisu.

Of course, it is not your fault.

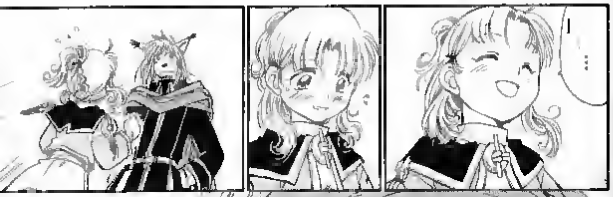
Ah
I didn't know that.
Torturing Laku!!
It's too much!
For decades
It's because you went into his body!

Ever since we met, it has been Laku's goal
That's right to turn back to a human
So
Ah, if I can turn into a bird and fly to his side now
I want to see Laku one last time

You are the holy beast' vessel.
The unthink-able past...
The limitless future...
Every thing will end now.

Laku
!
Ku
...
Laku
。
Laku
!
And the times with her till now....

I want to say goodbye on my own.
So, for the last time,
Ah, I know.
That, I...
I know...



I...

Ah!
Kukaru?
Thank you, Mr Piru!
We got here on time!

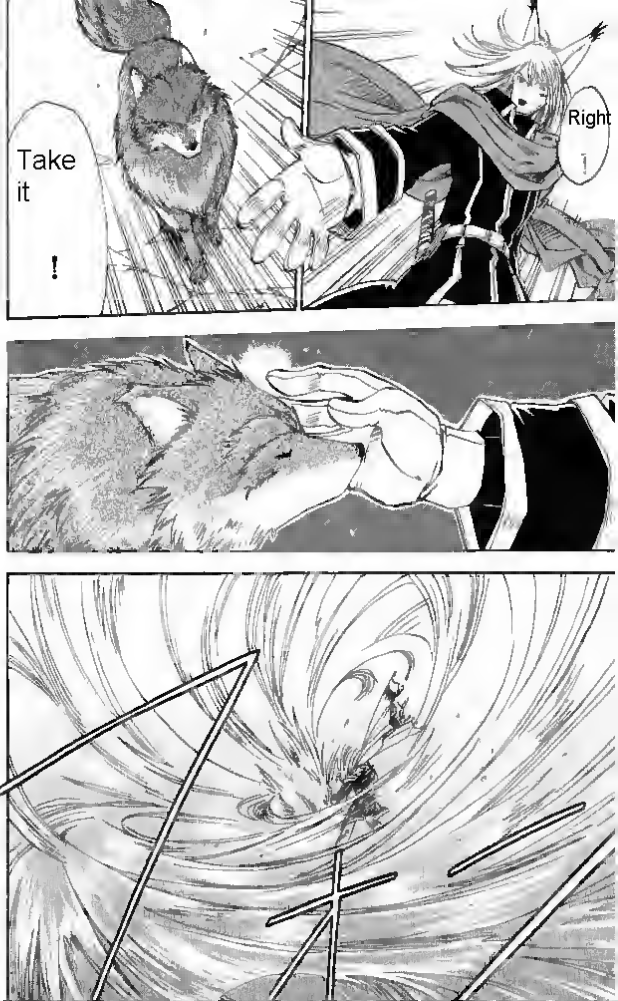
Didn't I say we'll be together for ever?
You...
Why...

Really.

You mustn't die Laku!
No...!
If Laku dies, then I...
It's alright to not be human!
Then what would I do!

Ok?
So, before that, please wait.
So, under-stand?
Actually I'll get reincarn ated later
I'll tell you a secret then
If you see any cool and handsome guy then call my name
I've made you wait
Cladius
!
I'll answer with yours!

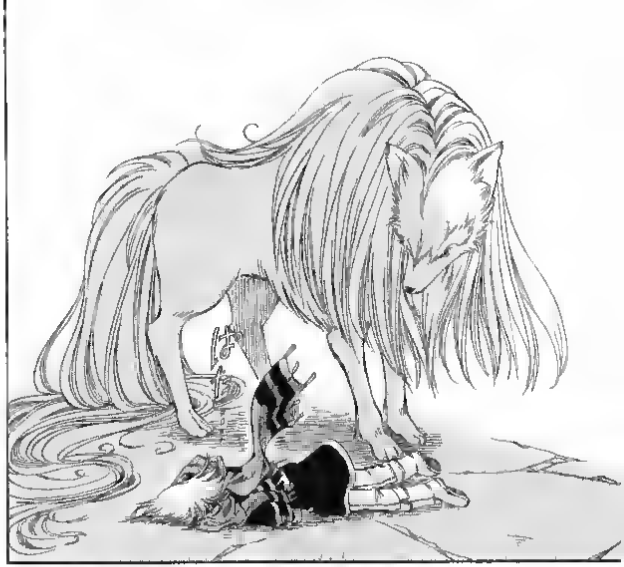
Laku
!



Take it
!
Right
!

You are going to bully Laku till when!!
What! Idiot!
Note Piru is so cute 3
This should be enough!
Punished him!
Is this right? You have already

His real punishment starts now.
ドルーン
I'm granting him a chance to right all he has done.
Don't mis-under-stand.



This corpse is dirtying my home.
What
Laki

Stop, Cladius!
Stop
What are you doing to him!
This "pain" that you've said. it's my punishment for him.
I'm sorry.
I'm going to let Ajise suffer longer

In your remaining years, you must live on strongly.
Ah!
Ah...
Kukaru!
Laku...

Hey !
POST
If you don't hurry, you will be late!

Sorry~ I'm coming~
Ah
Since nothing can hide your flat chest.
But I haven't decide what to wear!
Anything will do.
Really? Really?
This time, I asked for a longer break.
A woman's charm is not only on her breasts!
Idiot Laku!
Why is it always this!
So,
Is there any place you want to go?
Kukaru~
This doesn't concern you, since you are too busy to accompany me.
Who ?
Huh ?
I'm telling you, someone asked me for a date this week

About 12 years ago, during the year of the dog, I drew on a new year card, and that's how Lakute and Kukaru were born. That time, I was just a student, and thought about their story. If I had known then that this would become a Manga, I think I would be shocked.
Because I had spent a long time with them, even though the manga has ended, I still felt that their story has not ended yet. In my heart, Lakute forever has a dog face, and travels with Kukaru.
Sorry Lakute (Laughs)
How does everyone feel?
Happy reading this manga?
If so, I hope I can meet everyone again in my next work.
